By EDWARD W. PICKARD

STANDING a new precedent, President Roosevelt vetoed the bonus bill for World War veterans on June 4, 1935. The bill, which would have paid a bonus of \$1,000 to each veteran who served in the war, was passed by the House of Representatives on May 22, 1935, and by the Senate on June 1, 1935. The president's veto was based on the grounds that the bill was unconstitutional and that it would be a burden on the treasury.

GOV. MARTIN L. BAXTER of Ohio withdrew the warrant charging Harry Campbell, a member of the House of Representatives, with contempt of court. Campbell had been charged with failing to appear in court to answer to a writ of habeas corpus.

SENATOR WAGNER of New York and Representative Cresser of Ohio offered in the senate and house identical railroad labor pension bills. The bills were introduced in response to a request from the American Railway Union.

WHEN Dennis Chavez was brought into the senate to be sworn in as successor to the late Bronson Cutting of New Mexico, six liberal members of the senate walked out of the chamber in protest against the nomination.

WHY INCARCERATION? "Do you think you can keep this desperado in jail?" "I don't know," answered Cattle Joe. "We've done our best. We've tried everything. We've tried to keep him in jail, but he keeps getting out."

WHY NOT? "Wife—I think you ought to talk to me while I live." "Hobby—Let's change it around and you see while I read—Pattinette Magazine."

THE ALBI Chow Hound—Hey, messiah, what's wrong with these eggs? Mess Cook—Don't ask me, I only hold the table.

LOOK E REE MISTER PEEVE AND PUTTING HIS HANDS IN HIS POCKETS. "WELL, THEN, IF IT MAKES YA SMARTER, I'M SORRY I DIDN'T KNOW IT."

WONDERS WHY MOTHER IS CHANGING HIS CLOTHES THIS TIME OF YEAR. "AND PUTTING SOON ON THERE MUST BE COMPANY COMING."

AND SHE'S WARNING HIS HANDS! IT MUST BE INFORMANT COMING. "AND SHE'S PUTTING ON THAT STARCHY DRESS WITH TRILLS ALL OVER IT. SHE'S TRYING TO HIDE HER FAT."

WELL, HE'S MISERABLE, BUT HE'S GOING TO DO HIS BEST TO DO HIS DUTY. "HERE THEY COME AND HE'S GOING TO DO HIS BEST TO DO HIS DUTY."

Wheel of Mystery

Quilt Picturesque

By GRANDMOTHER CLARK

This quilt dates back many generations and there are possibly several reasons why it is called the "Wheel of Mystery." Each 18-inch block is composed of 9-inch blocks set together in reversed color combinations.

WHEN making the quilt use two contrasting solid colors for patches to get the proper effect. Twenty 18-inch blocks with a ditch border will make a quilt 81x109 inches.

BLACK WALNUTS

EXCELLENT CROP IN DROUGHT AREA

One neglected tree which offers possibilities not only of a fine financial return, but an excellent solution of drought conditions is the black walnut.

Heavy yields of walnuts were reported last fall from practically the whole commercial range of the tree, from Pennsylvania to Arkansas, says the Chicago Tribune.

Commercial cracking plants have been established in many parts of the country. The farmer, however, has certain advantages over the large operator. By careful cracking and marketing of the kernels on the farm, an average of 14 pounds of kernels may be obtained from 100 pounds of nuts.

Food and confection concerns consider black walnut kernels a staple product, and some place single orders for as much as 10,000 pounds. Farmers and state forestry departments planted millions of walnuts and large numbers of nursery raised seedlings last year, especially in the Ohio valley states.

Women from the teen age to the change of life have found Cardui genuinely helpful for the relief of functional monthly pains due to lack of just the right strength from the food they eat.
